Charine Bennett Vice President

Charine Bennett joined the YMCA Canberra Board in January 2015.

Charine has extensive experience in the Commonwealth public service and currently works as a government lawyer. Prior to obtaining her legal qualifications, Charine completed postgraduate commerce qualifications. Her professional experience includes roles in information access, administrative reviews, dispute resolution and policy development.

Having lived in Canberra for almost 20 years, Charine credits the YMCA Canberra running club as having given her a love of our many beautiful trails and an opportunity to frequent coffee spots across the Territory with fellow runners.

As a mother of two daughters, Charine is drawn to the YMCA's contribution to empowering young people and building a healthy, engaged Canberra community.
