

The Canberra Yacht Club & YMCA Sailing Club mutually agree to accept reciprocal race entry fees for the 2020/2021 and future seasons unless varied by agreement. This will be on the following basis:

Full financial sailing members of the YMCA Sailing Club will be able to purchase a reciprocal race entry fee from the Canberra Yacht Club for \$100 to cover all CYC Club racing for that membership year.

Full financial sailing members of the Canberra Yacht Club will be able to purchase a reciprocal race entry fee from the YMCA Sailing Club for \$100 to cover all YMCA Club racing for that membership year.

The reciprocal race entry fee applies to individual sailors, not to boat entering a series. It is not a membership. It includes:

- Inclusion in race results
- Eligibility to win individual race & series prizes including Club Championships & Pointscore Series.
- Regular communications from the reciprocal club.
- For the Champion of Champions race (Champion of the Lake, America's Mug, YMCA Champion of Champions) a competitor will only be eligible to sail for their home club, and if that sailor is the winner in a reciprocal entry division, that place will be offered to the first sailor from the club hosting that division.
